Pennsylvania Precast Association

Anti-Trust Warning

Before any discussions in today's meetings I would like to remind all attendees that they are required to comply with the spirit and specific requirements of the anti-trust laws.

That means that you must avoid all discussions which could be construed as involving agreement in matters relating to: distribution, marketing or pricing policies, production capacities or costs, entry into markets, competition or agreeing to deal only on certain terms.

Detailed minutes of this meeting must be kept. One purpose of those minutes is to show that no conduct contrary to anti-trust laws occurred. For that purpose you must avoid any informal meetings or discussions outside of this organized meeting that would not be reflected in the minutes.
